

REQUIREMENTS FOR A CONCEPTUAL SITE PLAN

The applicant shall be required to submit the following information to the Community Development Department, 655 North 1250 West, Centerville. Additional information may be requested after the formal application is received.

1. Application/ Property Owner Affidavit	The forms shall be completed and the Affidavit notarized.
2. Filing Fee	Fee is to be paid with the application. (see fee schedule for further information).
3. Copies of Plan	Submit three (3) copies of Site Plan (1 copy reduced to 8 ½ x 11)
4. Legal Description	Provide a full legal description with a copy of the Warranty Deed or the Deed of Trust.
5. Show us the site	Show the dimensions, total square footage and orientation of the lot and/or site proposed for development, landscaping location, parking lot location and other general site improvements and proposals.
6. Ownership	Provide a list of the current owner(s) of the property as indicated by the current records of the Davis County Recorder's Office and any proposed owner(s) of the same.
7. Surroundings	Provide a list of the current owners of property adjacent to the site, as indicated by the Davis County Recorder's Office and a vicinity map showing the site location in relation to the surrounding area.
8. Structures	Show the location, height and setbacks of all proposed and existing buildings and structures on the subject property and on immediately adjoining properties. Indicate the total square footage of the proposed building by floor if more than one floor is proposed. Submit sketches of the proposed building, with height material and other building detail.
9. Walls and Fences	Show the location and height of existing walls and fences on the site, including designation of the type of material.
10. Show the use	Please provide a statement of the proposed use of the site and buildings shown. Show the general design of ingress and egress of vehicular and pedestrian traffic that provides a functional on-site traffic flow.
11. Traffic	Show the general design of ingress and egress of vehicular and pedestrian traffic that provides a functional on-site traffic flow.
12. Streets	Show the location, name and width of existing and proposed streets and sidewalks.
13. Utilities	Give general information regarding availability and location of existing and proposed utilities.
14. Legend	Show a "north arrow" and drawing scale.
15. Development Schedule	Please provide a development schedule indicating the approximate date when construction of the development or its stages can be expected to begin and be completed.
16. Storm Water Permit	Complete and submit a full detailed Storm water Pollution Prevention Plan (SWPPP) and establish Best Management Practices (BMP's) in accordance with Title 16 of the Municipal Code.
17. Other data as needed	Other Information may be required as requested by the Community Development Director or City Engineer.

PROCEDURES FOR CONCEPTUAL PLAN REVIEW

1. Set up an appointment to meet with City Staff at a Development Meeting by calling our office at 292-8232. Meetings are scheduled every Monday morning starting at 9:30 a.m. During the meeting staff will review the site, location, zoning requirements, what items need to be included and all ordinances that need to be followed.
2. When all required information is submitted and the zoning administrator determines it is complete, staff reports will be prepared. You must have all the required changes completed and all fees paid before the conceptual application can be taken to the Planning Commission for acceptance.
3. A notice of the date and time of the public hearing will be posted on-site at least ten (10) days prior to the scheduled meeting date. Notices for a public hearing will be posted at three public locations. In addition, you will be sent a copy of the staff report and the meeting date, time and location.
4. At the Planning Commission meeting you will present your request and after due consideration, the Planning Commission will accept, accept with conditions, table, or reject the application. If your request is denied, you may appeal the decision by completing an application within fourteen (14) days of the decision which was made by the Planning Commission [12-21-200-(c)].
5. If the Planning Commission accepts the conceptual site plan, you must make the necessary correction and prepare to submit a Final Site Plan Application. A Final Site Plan must be submitted within 12 months from the date of Conceptual Site Plan acceptance.
